COOKIE POLICY

COOKIES

Our Privacy Policy explains our principles when it comes to the collection, processing, and storage of your information. The Cookie Policy specifically explains how we deploy cookies, as well as the options you have to control them.

WHAT ARE COOKIES?

Cookies are small pieces of data, stored in text files, that are stored on your computer or other device when websites are loaded in a browser. They are widely used to 'remember' you and your preferences, either for a single visit (through a 'session cookie') or for multiple repeat visits (using a 'persistent cookie'). They ensure a consistent and efficient experience for visitors, and perform essential functions such as allowing users to register and remain logged in. Cookies may be set by the site that you are visiting (known as 'first party cookies'), or by third parties, such as those who serve content or provide advertising or analytics services on the website ('third party cookies').

COOKIES SET BY spilltech.co.za

We use cookies for technical reasons, and some are required in order for our Website to operate. Other cookies also enable us to track and target the interests of our users to enhance the experience on our Online Properties. (Please note that the specific cookies served may vary depending on the specific Online Properties you visit)

CONTROLLING COOKIES

Visitors may wish to restrict the use of cookies, or completely prevent them from being set. Most browsers provide for ways to control cookie behavior such as the length of time they are stored — either through built-in functionality or by utilising third party plugins.

To find out more on how to manage and delete cookies, visit aboutcookies.org.

Some specific opt-out programs are available here:
Google Analytics - https://tools.google.com/dlpage/gaoptout

It's important to note that restricting or disabling the use of cookies can limit the functionality of sites or prevent them from working correctly at all.
